Add an Academic Integrity Template to your Course

A quick guide to adding a quiz and/or assignment template that requires students to acknowledge the UNLV Academic Misconduct Policy

OVERVIEW & PURPOSE

This quick guide is used to add a quiz and/or assignment template into your course. The template is designed so students must acknowledge they are complying with the UNLV Academic Misconduct Policy. Research has shown this simple acknowledgement deters incidents of cheating (see references below). There is an Assignment template and a Quiz template available in the Canvas Commons that present the Academic Integrity policy for UNLV. These templates can be used to make a new quiz or assignment (e.g. for written work or homework submissions).

STEP 1: LOGIN INTO WEBCAMPUS

Login to WebCampus (powered by Canvas) and click on your course in the DASHBOARD.

- UNLV WebCampus login link
- Use your Click the “Login to WebCampus” button and use your ACE account to log in
