Signing on to Lectern Computer
CTS's classroom computer now sign on with your ACE Account Credentials. If you are unfamiliar with the process, please follow the steps below.

1. Ensure the computer is powered on.
   The location and appearance of the power button may vary based on the computer model.

2. Sign in to the computer.
   Select other user and enter your ACE account login.

3. Log out of the computer.
   Double-click the restart button on the desktop to sign out. Please do not shut down the computer.

Call Classroom Technology Services for assistance.
